LOYAL TO THE CORE

The Only House in the City Decorated in Honor of the Equity Victory

The Flag decoration of the Brown Building in East Second street yesterday created considerable comment and wonderment by an unwelcome public as to the purport of this unusual display of Old Glory on the outer wall.

Many were the conjectures. Not a few of his most intimate friends shook their heads sadly as they muttered, "Poor fellow, I expected as much; got his wires crossed at last and now it's a padded cell for our erstwhile strenuous and genial Mike and aspiring candidate for Sheriff's office."

It was a wrong conclusion, however. The fact is Mr. Brown is an enthusiastic Equity man and he was simply giving vent to his suppressed joyous feelings over the \$12,000,000 tobacco sale; hence the Flag display and general good humor of the Brown household.

AGAIN we rise to remark that the tobacco stick seems to be the "Big Stick."

The closing of the deal between the Burley Society and the American Tobacco Company, as announced yesterday, has been the engrossing topic of discussion in Kentucky.

In Maysville, where, through the tying up of a million dollars worth of tobacco it has caused a 50% commercial paralysis for the past eighteen months, the successful closing of the deal means certain and instantaneous and normal business resumption.

The effect is already magic in its results and the rejoicing is general and pronounced to the utmost confines of the State. It is safe to say that we should now enter upon a new and a real era of peace and prosperity, and that the "Old Kentucky Home" will again come to the front and come into its own.

By buying \$5,000,000 pounds of tobacco from the Burley Society the American Tobacco Company has risen to the occasion and shown that it is broad enough to know how to surrender to the demands of the tobacco growers

when the yielding is based on the sound business principle that the thing for sale must go to the highest bidder.

As there was no other concern in the country able and willing to purchase the major portion of the Burley holdings, we think the American Tobacco Company has more than met the farmer half way, and the Company should no longer be looked upon as an enemy by the tobacco grower.

Now let's invite and welcome back to Kentucky the great Company that at one time has just made such a great purchase and shown that it wants and must have Kentucky's great product, the unrivaled *White Burley Leaf Tobacco*.

The deal just closed means much now to the State, but the situation holds more good things in store for us if we do not lose our heads and get spoiled by too much sudden prosperity.

Let's go slow, but sure, and pull for the New and Greater Kentucky by giving strict attention to business and—incidentally—a little more obedience to the law.

We must not forget and lose sight of the fact that one of Mason county's fair and gifted women, Miss ALICE LLOYD, is entitled to much of the glory and honor of winning the Equity battle through her brilliant defense of the tobacco growers' side of the great controversy.

The greatest of modern foot races is to be run at Madison Square Garden, New York, soon, between DORANDO, the Italian runner, who came here to meet JOHN J. HAYES, the American winner of the Marathon prize. The race will be a "re-running of the Marathon," and is causing much excitement.

A WOMAN'S APPEAL

To all knowing sufferers of rheumatism, whether muscular or of the joints, sciatica, lumbago, backache, pains in the kidneys or neuralgia, pains, to write to her for a home treatment which has repeatedly cured all of these troubles. She feels it her duty to send it to all sufferers FREE. You cure yourself at home, as thousands will testify—no change of climate being necessary. This simple discovery banishes uric acid from the blood, loosens the stiffened joints, purifies the blood and brightens the eyes, giving elasticity and tone to the whole system. If the above interests you, for proof address Mrs. M. SUMMERS, Box R, South Bend, Ind.

INDEPENDENT

Will Now Have a Chance to Buy 25 PerCent. of Burley Tobacco

The Executive Board of the Burley Tobacco Society has been called to meet at Winchester on Tuesday next and telegrams and registered letters have been sent to every independent manufacturer of tobacco in the country advising him that if he was in the market for burley tobacco to produce his buyers at Winchester promptly at 9 o'clock on the morning of November 24.

Thus, there will be \$4,000,000 more money coming to the tobacco growers.

"REV." H. E. ROSEBERRY

Goes to the Pen---Mason County Preacher Overtaken By His Villainies and Given Three Years

CHATTANOOGA, TENN., Nov. 19th.—Rev. Henry E. Roseberry, the young Kentucky Preacher who, it was charged, eloped from Sardis with Miss Carrie Mastin, aged 16 years, was today given a term of three years in the Penitentiary.

The story of Roseberry's sins of commission have been fully published, and all are doubtless aware that he had a wife and child, and that he seduced a fifteen-year-old girl and later induced her to elope with him. They were arrested at Chattanooga a few weeks ago, and the prosecution has vigorously harried Roseberry until he was indicted on two counts, lewdness and abduction.

Roseberry will now languish in the Tennessee Penitentiary for three years. His wife clung to him to the end, but his young "affinity" turned against him and helped to send him over the road and she is now with her family at Wilmore, Ky.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; hence cases of deafness are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

DON'T BLAME HER

For she cannot help it. Women are often cross, irritable, hysterical, and declare they are driven to distraction at the slightest provocation.

Men cannot understand why this should be so. To them it is a mystery because in nine times out of ten this condition is caused by a serious feminine derangement.

A remedy is necessary which acts directly upon the organs afflicted, restoring a healthy normal condition to the feminine system, which will quickly dispel all hysterical, nervous and irritable conditions. Such is **LYDIA E. PINKHAM'S VEGETABLE COMPOUND**

The following letter serves to prove this fact.

Mrs. Mattie Copenhaver, 315 So. 21st St., Parsons, Kans., writes: "For two years I suffered from the worst forms of feminine ills, until I was almost driven frantic. Nothing but morphine would relieve me. Lydia E. Pinkham's Vegetable Compound brought me health and happiness and made me a well woman."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

THE PERFECT WAY.

Scores of Maysville Citizens Have Learned It.

If you suffer from backache, There is only one way to cure it. The perfect way is to cure the kidneys. A bad back means sick kidneys. Neglect it, urinary troubles follow. Doan's Kidney Pills are made for kidneys only.

James Wells, living on Front street, Vanceburg, Ky., says:

"About one month before I began using Doan's Kidney Pills my back began to ache and pain and caused me a great deal of annoyance. I knew that if the trouble was not eradicated it might prove fatal. Often when I came home at night and went to bed the trouble was so severe that I had to continually change my position, and during the day I had to pass the recreation every little while. A friend advised me to try Doan's Kidney Pills. I procured them and the use of one box entirely cured me. I have had no symptom of kidney trouble since and give the credit to Doan's Kidney Pills."

Plenty more proof like this from Maysville people. Call at J. Jas. Wood & Son's Drugstore and ask what their customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

High-Grade Butchering Drugs

The Pure Food and Drug Laws may prevent the adulteration of food products, but such laws do not guard you against inferior quality. Decidedly poor spices may clear the law. The way to guard against the poor kinds is to buy where high-grade goods only are sold. During the butchering season you'll need

Sage, Black Pepper, Cayenne, Etc.

Let us supply you. We have them strictly fresh and the best grades of each that the market affords. There's economy in their use because they are of extra strength as well as of finest flavor, and will cost you no more than inferior goods.

One of the most beautiful homes in the city is that of the remodeled dwelling of Mr. and Mrs. E. Myall, corner of Third and Short streets. To give a detailed description of its beauty would consume considerable space, but expressed tersely and in a feminine way—"it is just too lovely"—will convey a slight idea of the pretty home.

Mrs. James B. Claybrook will entertain with a dining today in honor of her visitor, Miss Tribble of Richmond, and Mr. and Mrs. James M. Finch of the county.

"LIVES OF GREAT MEN ALL REMIND US"

The story of how Marshall Field amassed his great fortune may be told in a few words. He had something to sell and advertised it.

NO MAN

DELIBERATELY BUYS POOR CLOTHES.

He thinks their good, worth the money, or he doesn't want them. Just the same, lots of men are paying their good money for cheap cotton mixed goods and they think they are being real economical because they get such clothes for a little less than all wool would cost. This cotton-mixed stuff is very deceiving, even expert clothing men find it difficult at times to tell whether or not a fabric has cotton in it. As for the inexperienced wearer, we've seen fabrics that looked good enough to sell for \$20 for the suit that was at least 60 per cent. cotton and really worth about \$6 the suit. You get no such "flim-flam" when you trade with us. Thirty years selling good clothes enables us to separate the "sheep from the goats." When we say all wool we live up to it.
